

Tenure Track Position, Statistics and Probability

The Department of Mathematical and Statistical Sciences at the University of Alberta invites applications for a tenure track position in the area of Statistics and Probability. We primarily seek candidates at the Assistant Professor level, but exceptional candidates at a more senior level will be considered.

The successful candidate will have established accomplishments and outstanding promise in research, as well as a strong commitment to graduate and undergraduate teaching. Candidates must hold a PhD degree. We offer an excellent research environment with a normal teaching load of three courses per year. A close fit with some of the existing research being presently conducted in the Department is an asset. Our Statistics and Probability group encompasses a broad spectrum of research interests, ranging from such interdisciplinary areas as Biostatistics and Environmetrics, through core research areas such as Regression, Design, Sampling and notions of Robustness and of Statistical Learning as applied to these and other areas, and on to theoretical investigations as embodied by Mathematical Statistics, Probability, and Stochastic Processes.

Alberta is one of the leading Mathematics Departments in Canada and has strong connections with other mathematical institutes, such as the Pacific Institute for the Mathematical Sciences (PIMS), Mathematics of Information Technology and Complex Systems (MITACS), and the Banff International Research Station (BIRS). For more information about the Department, please visit our websites at <http://www.mathstat.ualberta.ca/> and <http://www.stat.ualberta.ca/>.

Applications should include a curriculum vitae, a research statement, a teaching profile outlining experience and/or interests, and at least three confidential letters of reference.

The closing date for applications is November 16, 2007, or until a suitable candidate is found. Early applications are encouraged.

Interested applicants may apply to:

Arturo Pianzola, Chair
Department of Mathematical and Statistical Sciences
University of Alberta
Edmonton, Alberta, Canada T6G 2G1

Email: chairsec@mathstat.ualberta.ca

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. If suitable Canadian citizens or permanent residents cannot be found, other individuals will be considered.

The University of Alberta hires on the basis of merit. We are committed to the principle of equity in employment. We welcome diversity and encourage applications from all qualified women and men, including persons with disabilities, members of visible minorities, and Aboriginal persons.
