

## **Max Wyman Assistant Professorship in Mathematical Biology**

The Department of Mathematical and Statistical Sciences at the University of Alberta invites applications for a Max Wyman Assistant Professorship in Mathematical Biology. This is a three-year fixed-term position. The position offers an excellent research and teaching environment with a reduced teaching load (averaging two one-semester courses per year). A startup research grant is included with the position.

We are looking for a person with a PhD, an excellent research record in Mathematical Biology, and strong communication and teaching skills. Candidates are expected to develop an independent research program, and will be eligible to apply for federal research funds. They are expected to participate in graduate training and to be active in the Centre for Mathematical Biology ([www.math.ualberta.ca/~mathbio](http://www.math.ualberta.ca/~mathbio)). All aspects of Mathematical Biology will be considered. Current interests within the department include ecology, epidemiology, medicine and physiology.

Alberta is one of the leading Mathematics Departments in Canada and has strong connections with other mathematical institutes, such as the Pacific Institute for the Mathematical Sciences (PIMS), Mathematics of Information Technology and Complex Systems (MITACS), and the Banff International Research Station (BIRS).

Applications should include a curriculum vitae, research and teaching profiles outlining experience and/or interests, and at least three confidential letters of reference.

The closing date for applications is November 16, 2007, or until a suitable applicant is found. Early applications are encouraged.

For more information about the Department and the University of Alberta, please visit the our web page ([www.math.ualberta.ca](http://www.math.ualberta.ca)).

### **Interested applicants may apply to:**

Arturo Pianzola, Chair  
Department of Mathematical and Statistical Sciences  
University of Alberta  
Edmonton, Alberta, Canada T6G 2G1

**Email:** [chairsec@math.ualberta.ca](mailto:chairsec@math.ualberta.ca)

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. If suitable Canadian citizens or permanent residents cannot be found, other individuals will be considered.

The University of Alberta hires on the basis of merit. We are committed to the principle of equity in employment. We welcome diversity and encourage applications from all qualified women and men, including persons with disabilities, members of visible minorities, and Aboriginal persons.
