

Limited-Term Position in Mathematics

St. Francis Xavier University

Applications are invited for a limited-term appointment, subject to budgetary approval, at the Assistant Professor level in Mathematics at St. Francis Xavier University to commence September 1, 2008. This is a one-year term position with the possibility of renewal. Applicants should hold or be near completion of a Ph.D. in Mathematics or closely related field. Preference will be given to individuals who exhibit a commitment to excellence in teaching and research. To ensure consideration, applications must be received by March 15, 2008. Applicants should send a curriculum vitae and teaching and research statements to:

Dr. Martin van Bommel, Chair
Department of Mathematics, Statistics and Computer Science
St. Francis Xavier University
PO Box 5000
Antigonish, NS B2G 2W5
Canada

Submissions via email to mvanbomm@stfx.ca are encouraged. In accordance with Canadian Immigration requirements, this ad is directed in the first instance to Canadian citizens and permanent residents of Canada. StFX University is committed to employment equity and invites applications from all qualified candidates, including women, aboriginal persons, members of visible minority groups, and persons with disabilities.
