

**Faculty of Arts and Science
Mathematics**

The Department of Computer Science and Mathematics at Nipissing University invites applicants for a 9 month limited term appointment as Assistant Professor, effective August 1, 2008. The successful applicant will be required to teach the lecture portion of General Physics (PHYS 1005) plus four (3 credit) courses in mathematics. The exact courses in mathematics will be determined in consultation with the successful candidate and the members of the department but will likely include Complex Analysis and Differential Equations. Candidates are expected to have a Ph.D. in Mathematics or Physics and some teaching experience. The department has a strong research focus, especially in topology. There will be an opportunity to engage in research and to supervise fourth year honours research students.

Application review will begin on **June 20, 2008** and continue until a suitable candidate is found. Please submit a letter of application, curriculum vitae, statement of teaching interest, teaching evaluations (if available), and arrange for three letters of reference to be sent to:
