

POSITION VACANCY

COLLEGE PROFESSOR Mathematics and Statistics Penticton Campus

Okanagan College transforms lives and communities. We educate, train and support our students to excel in the workplace, to succeed in further education and to become lifelong learners. We are intent on being a college which students are proud to attend, where employees are proud to work and whose graduates are highly valued in the workplace and at other post-secondary institutions.

Science, Technology and Health requires a College Professor to teach undergraduate courses in Mathematics and Statistics. The Department of Mathematics and Statistics offers first and second-year university courses in Mathematics and Statistics as well as service courses for the Bachelor of Business Administration program, a Bachelor of Computer Information Systems program and for six two-year technology diploma programs.

Required qualifications include a Master's Degree in Mathematics, Statistics or a closely related field. A Ph.D. in Mathematics or Statistics is preferred. The ideal candidate will have an exceptional teaching record with demonstrated learner-centred teaching philosophy. An active profile in scholarship, research and creative activity will be considered an asset. Successful applicants will be an integral part of the team that will help Okanagan College realize the promise of a world-class college.

This is a full-time continuing appointment effective **August 5, 2008**. Salary and working conditions are governed by the Okanagan College Faculty Association Collective Agreement. Placement on the salary scale is dependent upon qualifications and experience.

For inquiries of an academic nature, please contact Doug Birtwistle, Acting Chair of Mathematics and Statistics, at (250) 762-5445, local 4337 or by email at dbirtwistle@okanagan.bc.ca.

As a learner-centred institution, Okanagan College is committed to providing excellence in teaching and learning. For more information about the mission of Okanagan College, please visit our website at www.okanagan.bc.ca.

Please submit a letter of application, curriculum vitae, evidence of a learner-centred focus, and contact information of three referees by **June 16, 2008** to:

Competition No. FAC0823

Okanagan College
Human Resources Division
1000 KLO Road
Kelowna, BC V1Y 4X8

Emailed applications to jobapps@okanagan.bc.ca are preferred (in Word, PDF, or Rich Text formats) and must include the Competition Number in the subject line. Please disable any auto-replies on your email before sending your application. Applications received via mail or fax at (250) 762-3631 will be scanned into an electronic database. Please visit our website at: <http://www.okanagan.bc.ca/employment>.

Okanagan College wishes to thank all applicants for their interest; only those applicants selected for further consideration will be contacted.
