

School of Mathematics and Statistics Carleton University

The School of Mathematics and Statistics invites applications for a tenure-track faculty position at the rank of Assistant Professor in Applied Analysis, starting July 1, 2009. Applicants should have a Ph.D. in Mathematics or related areas, and a strong commitment to excellence in research and teaching. The School is particularly interested in candidates who are active in the areas of Numerical Analysis and/or Applied Differential Equations.

The successful candidate will be expected to develop a strong externally-funded research program, supervise students, as well as develop and teach undergraduate and graduate courses. Prospective faculty can look forward to a dynamic research environment in which collaboration with industry is encouraged. Carleton is located in Ottawa, the capital of Canada, and a major center of advanced technology research and development. For more information about the Carleton University and the School please consult www.math.carleton.ca.

Applications (hard copies only) including curriculum vitae, three letters of reference (at least one of these letters should address the applicant's teaching), up to four sample publications, and a teaching dossier, should be sent to:

Dr. P.J. Farrell, Director,
School of Mathematics and Statistics,
Carleton University,
1125 Colonel By Drive,
Ottawa, Ontario, Canada, K1S 5B6
email: ms-atd@math.carleton.ca

Consideration of applications will begin on December 1, 2008 and continue until the position is filled.
