## Tenure-Track Position in Mathematics and Statistics St. Francis Xavier University

Applications are invited for two tenure-track appointments in Mathematics and Statistics at St. Francis Xavier University to commence July 1, 2009, subject to budgetary approval. Applicants should hold a Ph.D. in Mathematics, Statistics, or closely related field. Salary and rank are commensurate with qualifications and experience. Applicants from all areas will be considered, but we are particularly interested in individuals specializing in Probability, Applied Mathematics, and Algebra, and candidates who exhibit a commitment to excellence in both teaching and research. The successful candidates will be willing to teach some introductory statistics courses. The selection process will commence February 23, 2009 and continue until the position is filled. Applicants should send curriculum vitae, teaching and research statements, and the contact information for at least three references to:

Dr. Martin van Bommel, Chair  
Department of Mathematics, Statistics and Computer Science  
St. Francis Xavier University  
PO Box 5000  
Antigonish, NS B2G 2W5, Canada

Submissions via email to [mvanbomm@stfx.ca](mailto:mvanbomm@stfx.ca) are encouraged.

Math – 2009-01

*All qualified candidates, especially women and members of minority groups, are encouraged to apply; however, in accordance with Canadian Immigration requirements, Canadian citizens and permanent residents will be given priority. St. Francis Xavier University is committed to the principle of employment equity.*
