

## Assistant Professor

The Department of Mathematics, University of Toronto, invites applications for a tenure-stream appointment at the rank of Assistant Professor with an expected start date of July 1, 2010. Candidates with research expertise in Arithmetic Algebraic Geometry will be given preference; however exceptional candidates in any field of pure and applied mathematics are encouraged to apply. Applicants should have a Ph.D. in mathematics and must show evidence of excellence in teaching and research. Salary will be commensurate with qualifications and experience. Applications should be received by **December 20, 2009** to receive full consideration.

**(Code: AAG)**

Application material for the position should include the candidate's complete C.V. including a list of publications, a research statement, a teaching statement and the AMS Standard Cover Sheet. Candidates should arrange to have at least four letters of reference, including at least one primarily addressing the candidate's teaching, sent directly by the writers.

On-line applications should be submitted through MathJobs (<http://www.mathjobs.org/jobs>). You may also submit your application directly to:
