

The Department of Mathematics & Statistics, McMaster University, would like to hire a tenure-track faculty member at the level of Assistant or Associate Professor in the area of Probability and Statistics. The anticipated start date for this position is July 1, 2011.

Candidates should have a PhD in Statistics, Probability, or a related field and clear evidence of a strong research programme in a major area of Probability and Statistics. Candidates are required to apply for this position via MathJobs . Review of applications will begin on **January 1, 2011**, and in order to receive full consideration in the first round, all application materials should be received by that date.

For due consideration, candidates need to submit their CV, research statement, teaching statement, and at least three letters of recommendation, one addressing teaching to <http://www.mathjobs.org/>. The letter of recommendation can alternatively be mailed directly to:

Dr Hans U Boden, Chair
Department of Mathematics & Statistics
McMaster University
Hamilton, ON L8S 4K1
Canada

We appreciate all replies to this advertisement, but only short-listed applicants will be contacted. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. McMaster University is strongly committed to employment equity within its community, and to recruiting a diverse faculty and staff. The University encourages applications from all qualified candidates, including women, members of visible minorities, Aboriginal persons, members of sexual minorities, and persons with disabilities.
