

## **Methodologist**

Are you a detail-oriented professional who thinks strategically? Consider this exciting opportunity with the **Ministry of Health and Long-Term Care** to showcase your analytical and statistical analysis skills in support of Ontario's health system strategy.

In this role as a Methodologist, you will:

- provide advice for the research and analysis of health administrative and population data
- advise on the development of various research, analytic and funding methodologies
- provide research and advice in the definition and establishment of performance indicators
- support evidence-based decision-making through research
- lead the development of standard relational methods
- conduct environmental scans and research related to new and emerging ministry strategies and initiatives
- assist in the development and delivery of health analytics education and training strategies.

**Location: 1075 Bay Street, Toronto.**

### **What we are looking for in a Methodologist:**

Specialized Knowledge:

- you can apply theories, methods and measures in specialized areas, such as health economics, statistics, biostatistics and mathematical modelling
- you can support the evaluation of health system operations using knowledge of Ontario's health system strategy

Analytical and Problem-Solving Skills:

- you can measure performance using knowledge of analytical methods
- you understand trends in health analytics and health planning to provide research and support strategies
- you can understand and resolve problems using strong system thinking skills

Consultation and Relationship Management Skills:

- you can advise clients on health system analytic methodologies using consultation skills
- you can prepare and present material to both professional and non-professional audiences
- you can build partnerships with clients using relationship management skills

Computer Skills:

- you can use population health and administrative databases and statistical software for advanced and complex analysis
- you can use office software applications to create your own documents.

**Salary range:** \$68,182 - \$84,293

Please apply online, only, at [www.ontario.ca/careers](http://www.ontario.ca/careers), quoting **Job ID 32151**, by **January 4, 2011**. *Faxes are not being accepted at this time. If you need employment accommodation, contact the Toronto Recruitment Centre at 1-866-994-8808. Only those applicants selected for an interview will be contacted.*

*The Ontario Public Service is an equal opportunity employer. Accommodation will be provided in accordance with the Ontario Human Rights Code.*
