University of Winnipeg – Mathematics Position

The Department of Mathematics & Statistics at the University of Winnipeg invites applications for a tenure track faculty position in Mathematics at the Assistant Professor level. Candidates should have a strong commitment to undergraduate teaching and have demonstrated the ability to perform independent research of high quality. The effective date of appointment will be July 1, 2011, or as soon afterward as possible.

An applicant's research should connect with interests of Department members, which cluster in discrete mathematics (networks, graph theory, designs, enumeration, combinatorics on words) but also include algebra and analysis. In addition, current Department adjuncts are modeling infectious diseases and studying small world networks. Candidates should have a Ph.D. or be near completion.

Applicants should submit a curriculum vitae, a description of their research program, a statement of teaching philosophy, and have three reference letters sent to The Personnel Committee of the Department of Mathematics and Statistics at mathstats@uwinnipeg.ca by January 31, 2011. At least one reference letter should address the candidate's teaching ability.

In accordance with Canadian immigration requirements, this advertisement is directed to Canadian citizens and permanent residents of Canada. The University of Winnipeg is committed to employment equity, welcomes diversity in the workplace, and strongly encourages applications from all qualified individuals including women, members of visible minorities, aboriginal persons, and persons with disabilities.
