

Limited-Term Position in Statistics or Mathematics

Applications are invited for a 9-month limited-term appointment at the Assistant Professor or Lecturer level in Statistics or Mathematics at St. Francis Xavier University to commence August 15, 2011, subject to budgetary approval. Applicants should hold M.Sc. or Ph.D. in Statistics or Mathematics or closely related field. The successful candidate must be willing to teach Introductory Statistics. Preference will be given to individuals who exhibit a commitment to excellence in teaching. Teaching experience at the university level is desirable. Consideration of applications will begin on April 11, 2011 and will continue until the position is filled. Applications should include curriculum vitae, teaching statement, and three reference letters. Applicants are strongly encouraged to submit their applications online at the website <http://cse.stfx.ca/~jobApplication/sub/> or may alternatively send their applications to:

Dr. Joe Apaloo, Chair
Department of Mathematics, Statistics and Computer Science
St. Francis Xavier University
PO Box 5000
Antigonish, NS B2G 2W5
Canada

For further enquiries please send email to japaloo@stfx.ca.

Posted: March 15, 2011

All qualified candidates, especially women and members of minority groups, are encouraged to apply; however, in accordance with Canadian Immigration requirements, Canadian citizens and permanent residents will be given priority. St. Francis Xavier University is committed to the principle of employment equity.
