

The American University of the Middle East (AUM) - Kuwait, is an emerging university dedicated to developing students' critical thinking, identities and to building their characters in order to become successful individuals, well-rounded professionals and entrepreneurs through a unique learner-centered methodology. AUM is committed to creating a value proposition through the integration of multi-cultural faculty, learning facilities and outreach centers.

We encourage innovative teaching methodologies and academic research and publications.

Due to our continued growth and success, we are looking to recruit additional faculty for the following specialism to commence teaching from **September 2011**:

- **Mathematics**
- **Operations Management/Quantitative Methods**

Only candidates with a strong passion and commitment to teaching, as well as a **doctorate** degree at the time of application, will be seriously considered for the roles. Industry experience is viewed as a distinct advantage.

Successful candidates will benefit from a competitive remuneration package, to be discussed at interview stage.

How to apply:

Please email your CV with covering letter to hr@aum.edu.kw
