

## **Assistant Professor, Applied Mathematics**

The Department of Mathematics, University of Toronto invites applications for a tenure-stream appointment at the rank of Assistant Professor, with an expected start date of July 1, 2012.

Candidates with research expertise in any area of Mathematics (with a preference for applied mathematics) may apply. The successful candidate will be expected to participate actively in the teaching and research activities of the Department of Mathematics.

Candidates should have a Ph.D. in mathematics or a related field and demonstrate excellence in innovative research at the highest level, and a commitment to undergraduate and graduate teaching. The University of Toronto is an international leader in mathematics research and education and enjoys strong ties to other units within the University. Salary will be commensurate with qualifications and experience.

On-line applications should be submitted through MathJobs (<a href="http://www.mathjobs.org/jobs">http://www.mathjobs.org/jobs</a>). You may also submit your application directly to:

Search Committee, Department of Mathematics University of Toronto 40 St George Street, Room 6290 Toronto, Ontario M5S 2E4 Canada.

Application materials should include the candidate's complete C.V. including a list of publications, a research statement, a teaching statement and the AMS Standard Cover Sheet. Candidates should arrange to have at least four letters of reference, including at least one primarily addressing the candidate's teaching, sent directly by the writers using the MathJobs website or by mail to the above address.

Applications should be received by November 18, 2011 to receive full consideration. (Code APG)

The University of Toronto offers the opportunity to teach, conduct research, and live in one of the most diverse cities in the world. The University of Toronto is strongly committed to diversity within its community and especially welcomes applicants from visible minority group members, women, Aboriginal, persons with disabilities, members of sexual minority groups, and others who may contribute to the further diversification of ideas.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. For more information, please contact: <a href="mathjobs@math.utoronto.ca">mathjobs@math.utoronto.ca</a>
