

PRINCE MOHAMMAD BIN FAHD UNIVERSITY

THE SEARCH FOR FACULTY MEMBERS IN MATHEMATICS JUNE 2012

COLLEGE OF ARTS & SCIENCE

Prince Mohammad Bin Fahd University (PMU), a newly established American-style institution in Al Khobar, Saudi Arabia, is growing at a rapid rate and seeks to fill multiple faculty positions in its College of Arts & Science for the 2012 fall semester. Please note that applicants who have studied and/or worked at accredited North American institutions are strongly encouraged to apply.

PMU invites applicants for assistant, associate, and full professor positions in Mathematics to teach in the Department of Mathematics and Natural Sciences. The Department of Mathematics and Natural Sciences is a service department. The Department offers lower level courses such as elementary algebra as well as upper level courses in differential equations and linear algebra.

QUALIFICATIONS/PROFESSIONAL EXPERIENCE:

- A Ph.D. from an accredited North American University in Mathematics with at least 30 semester hours beyond a bachelor degree..
- Demonstrated ability to instruct in English.
- Demonstrated ability to teach at the university level.

Please go to the [Search Profile](#) for information about the institution, compensation package, and application information.

The University is assisted in the United States by **Maya Ranchod Kirkhope**, Senior Consultant with [Academic Search, Inc.](#) Confidential discussions about this opportunity may be arranged by contacting her at maya.kirkhope@academic-search.com or by phone +1-703-380-9195.
