

## Lecturer - Department of Mathematics

---

The Department of Mathematics, University of Toronto invites applications for two teaching-stream positions at the rank of Lecturer in Mathematics. The expected start date of the two appointments is July 1, 2013.

Applicants must have earned a Ph.D. in Mathematics and significant experience in teaching. Candidates with teaching expertise in any area of Mathematics may apply. The successful candidates will be expected to participate in formulating new curricular initiatives and designing innovative approaches to the teaching of Mathematics. Salary will be commensurate with qualifications and experience. Appointments at the rank of Lecturer may be renewed annually to a maximum of five years. On the fifth year of service, Lecturers shall be reviewed and a recommendation made with respect to the rank of Senior Lecturer. Evidence of excellence in teaching is required.

All qualified candidates are invited to apply through the MathJobs (<https://www.mathjobs.org/jobs>) website. Applications should include a cover letter, curriculum vitae, and three reference letters, including one which primarily addresses the candidate's teaching. Applicants should ask the three referees to send the letters through the MathJobs website or directly to the Department:

Search Committee  
Department of Mathematics  
University of Toronto  
40 St. George Street Room 6290  
Toronto, Ontario  
M5S 2E4  
Canada.

If you have questions about the two positions, please contact: [mathjobs@math.utoronto.ca](mailto:mathjobs@math.utoronto.ca). All application materials should be submitted online.

Applications should be received by **November 30, 2012** (Code LECG).

For more information on the Mathematics Department, please visit our website at: <http://www.math.utoronto.ca>.

The University of Toronto offers the opportunity to teach, conduct research, and live in one of the most diverse cities in the world. The University of Toronto is strongly committed to diversity within its community and especially welcomes applicants from visible minority group members, women, Aboriginal, persons with disabilities, members of sexual minority groups, and others who may contribute to the further diversification of ideas.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.
