**DEPARTMENT OF MATHEMATICS, STATISTICS AND COMPUTER SCIENCE
Limited Term Position**

The Department of Mathematics, Statistics and Computer Science at St. Francis Xavier University invites applications for a nine month Limited Term appointment in the area of Statistics or Mathematics commencing August 15, 2013. The candidate should possess at a minimum a Master's degree in Statistics or Mathematics or closely related field. The candidate must show strong commitment to teaching. The primary responsibilities of the successful candidate will be teaching introductory and intermediate courses at the undergraduate level in Statistics and Mathematics. This position is subject to final budgetary approval.

Letters of applications, outlining qualifications and experience, as well as a current curriculum vitae and three letters of references, should be forwarded to:

Dr. Joe Apaloo
Chair, Department of Math, Stats and Computer Science
Saint Francis Xavier University
PO Box 5000, Antigonish, NS, B2G 2W5

Phone: 902-867-5274
Email: stfxmcsjobs@gmail.com

The review of applications will begin June 21, 2013 and will continue until the position is filled. The Selection Committee would like to thank all applicants for their interest in Saint Francis Xavier University. However, only those selected for interviews will be contacted.

*St. Francis Xavier University is committed to merit-based hiring and to employment equity. St. Francis Xavier University respects diversity and welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities and members of sexual minority groups. In accordance with Canadian Immigration requirements, this advertisement is directed to Canadian citizens and permanent residents of Canada. **If you are selected for an interview for the advertised position, proof of Canadian citizenship or permanent residency is required.***
