

Competition Number: UOIT14-315

Faculty of Science

Number of Positions: 1

Position Title: Teaching Faculty – Applied and Industrial Mathematics

Appointment Type: One Year Limited Term Contract

Posting Date: July 8, 2014

Closing Date: August 8, 2014

The Faculty of Science at University of Ontario Institute of Technology (UOIT) invites applications for a one year limited term lecturer in the area of Applied and Industrial Mathematics to commence on September 4, 2014 in our Undergraduate Bachelor of Science (Honours) in Applied and Industrial Mathematics program. Position is subject to budgetary approval.

The successful candidate should possess a PhD in Mathematics or Applied Mathematics (or equivalent). Preference will be given to individuals with expertise in one or more of the following areas: numerical analysis, applied mathematics. **The successful candidate will be expected to follow an 80% teaching and 20% service workload each year.**

Duties will include preparing and delivering lecture and tutorials; prepare and mark assignments, tests and examinations; respond to student inquiries; maintain regular office hours; and invigilate tests and examinations. In keeping with our technology-enhanced learning environment utilizing laptop computers and wireless connectivity, strong computer skills are essential, and experience with Blackboard is an asset.

The Faculty offers honour undergraduate degrees in Applied and Industrial Mathematics. Further details about the Faculty can be found at: <http://www.science.uoit.ca/>.

Applications will be accepted until August 8, 2014 or until a suitable candidate is found. Applicants should submit in electronic format a covering letter indicating the above competition number; their resume; a statement of teaching philosophy and interests; evidence of teaching effectiveness; and the names of three referees to careers@uoit.ca.

UOIT is an equal opportunity employer and welcomes applications from qualified women and men, including members of visible minorities, Aboriginal peoples and persons with disabilities. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.
