

**Faculty for Mathematics
For School of Science and Engineering
Habib University, Karachi, Pakistan**

The Habib University Foundation is establishing a world class institution of higher learning in Karachi, Pakistan. Beginning in fall 2014, Habib University will offer undergraduate programs with a unique interdisciplinary education in Science, Engineering, Arts, Humanities, and the Social Sciences.

Habib University is establishing a School of Science and Engineering, which will initially offer Bachelors of Science in Electrical Engineering and Bachelors of Science in Computer Science. The School will initiate classes with 120 students and will continue to increase enrollment each year. The University has long-term plans for the School to offer additional programs at both the undergraduate and graduate level.

Habib University is inviting applications for faculty positions in Mathematics, which will be part of School of Science and Engineering and also actively engage in teaching the divisional requirements under the Core Curriculum at Habib University. We encourage applications from candidates with a PhD in Mathematics and/ or Master's degree in Teaching Mathematics, and extensive experience of teaching undergraduate students.

Habib University is seeking candidates with excellent teaching, and scholarly credentials who have a passion for undergraduate education, intellectual curiosity, and the ability to communicate and work well in teams. The University will offer opportunities for faculty to pursue research and scholarly advancement across the Arts, Humanities, Social Sciences, Sciences and Engineering. As academic leaders, faculty will have the unique opportunity to build a new institution, shape programs and foster synergies across fields. The terms of employment are competitive and include additional employment benefits.

Applicants need to submit a cover letter, curriculum vitae, statement of teaching and research interests, representative publications and three letters of reference in PDF format to be considered. The application package can be emailed to minerva.john@huf.org.pk. Please visit the website to complete the online application form at <http://habib.edu.pk/hu-careers/faculty-application-form/>. If you have any inquiries, please contact minerva.john@huf.org.pk
