

The Department of Mathematics at the University of Toronto St. George, invites applications for two full-time contractually limited-term appointments (CLTAs) at the rank of Assistant Professor, Teaching Stream. The expected start date of these appointments is September 1, 2015, ending on June 30, 2017 with the possibility of renewal.

Candidates are required to possess a PhD in Mathematics or Applied Mathematics at the time of appointment, or shortly thereafter. Candidates with teaching expertise in any area of Mathematics may apply. Duties include teaching undergraduate courses in Mathematics. Salary to be commensurate with qualifications and experience.

The successful candidate must have demonstrated excellence in teaching and pedagogy, have a strong mathematical background, and have excellent organizational and communication skills. Evidence of excellence in teaching will be demonstrated through teaching evaluations, letters of reference and the teaching dossier submitted as part of the application.

All qualified candidates are invited to apply by clicking on the following link: <https://www.mathjobs.org/jobs/jobs/7372>.

Applications should include a cover letter, curriculum vitae including a list of publications, teaching dossier, and the AMS standard cover sheet. Applicants should also ask three referees to upload the letters through MathJobs or to send letters directly to the department via e-mail to mathjobs@math.utoronto.ca by the closing date. The closing date for applications is August 21, 2015.

Submission guidelines can be found at: <http://uoft.me/how-to-apply>.

If you have questions about this position, please contact mathjobs@math.utoronto.ca.

For more information about the Department of Mathematics please visit our website at: <http://www.math.utoronto.ca>.

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities, members of sexual minority groups, and others who may contribute to the further diversification of ideas.

All qualified candidates are strongly encouraged to apply; however, Canadians and permanent residents will be given priority.
