

Tenure-Track Position in DISCRETE/COMPUTATIONAL MATHEMATICS

The Department of Mathematics and Statistics in the College of Arts and Science at the University of Saskatchewan invites applications for a tenure-track position in the area of Discrete/Computational Mathematics (code: DC1) at the Assistant Professor level effective July 1, 2016.

The Department is seeking candidates with established accomplishments and outstanding promise of further research productivity in the area of Discrete/Computational Mathematics. Applicants must have a doctoral degree. The successful candidate will have demonstrated excellence or promise of excellence in teaching and graduate supervision, and will be expected to develop a vigorous, externally-funded research program which helps complement the Departmental research activities. For more information on the Department of Mathematics and Statistics and its research activities, see http://artsandscience.usask.ca/math/.

The College of Arts & Science offers a dynamic combination of programs in the sciences, social sciences, humanities, and fine arts. There are over 10,000 students in the College and 295 faculty, including 12 Canada Research Chairs. The College emphasizes student and faculty research, interdisciplinary programs, community outreach and international opportunities.

The University of Saskatchewan is located in Saskatoon, Saskatchewan, a city with a diverse and thriving economic base, a vibrant arts community and a full range of leisure opportunities. The University has a reputation for excellence in teaching, research and scholarly activities and offers a full range of undergraduate, graduate, and professional programs to a student population of over 23,000. The university is one of Canada's leading research-intensive universities.

Information about the University, the College, the Department and the city of Saskatoon can be found at www.usask.ca, http://tourismsaskatoon.com and http://tourismsaskatoon.com.

Salary Bands (July 1, 2016 – June 30, 2017):

Assistant Professor \$93,293 (floor) to \$112,109 (CDI ceiling)

Benefits:

This position comes with a comprehensive benefits package which includes pension plan, life insurance (compulsory and voluntary), sick leave, travel insurance, death benefit, dental plan, extended health and vision care plan, employee assistance program, and flexible health and wellness spending program.

Application Procedure:

Application material for the position should be submitted online through MathJobs (http://www.mathjobs.org/jobs/jobs/jobs/8014). It should include a cover letter, a curriculum vitae, a research statement, a teaching dossier, the AMS Standard Cover Sheet, and at least three letters of reference submitted directly by the writers, one of which should include detailed comments on the teaching abilities of the applicant.

Closing date for the receipt of applications is **January 5, 2016**.
