

**Department of Mathematics  
University of Manitoba  
Winnipeg, Manitoba, Canada**

**Instructor  
Position # 21902**

The Department of Mathematics invites applications for a full-time two-year term position at the Instructor I level, commencing 1 July 2016, or on a date mutually agreed upon. The Department seeks an emerging scholar with a commitment to excellence in teaching and pedagogical development. Outstanding candidates in any area of mathematics will be considered. Preference will be given to those with teaching experience and a M.Sc. or Ph.D. or other distinguishing attributes in mathematics or a related field (a Ph.D. is preferred). Duties may include undergraduate teaching, including live lecture, on-line and distance delivery formats, pedagogical/course development and assessment, and service-related activities. The successful candidate will have a track record of outstanding teaching contributions and course development, and will exhibit evidence of the ability to work in a collaborative environment.

To enhance our department and create role models for a diverse population of students, we particularly invite application from those who can support and enhance our diversity, including women, Indigenous peoples, other visible minorities, and those committed to a diverse environment.

The Department currently has 23 full time tenured and tenure track faculty members and five Instructors, and offers a full range of both undergraduate and graduate programs in mathematics. The Department has a well-established and equipped research facility, including computers, software and IT support, and is supported by strong research links with other University of Manitoba departments including the Departments of Biology, Computer Science, Physics and Astronomy, and Statistics. Further information about the Department can be obtained from [www.umanitoba.ca/faculties/science/departments/mathematics](http://www.umanitoba.ca/faculties/science/departments/mathematics) . Winnipeg is the largest city in the Province of Manitoba. The city has a rich cultural environment, including symphony, opera, dance, theatre, and ethnic festivals. The region provides ample opportunities for outdoor recreation in all seasons. Learn more about Winnipeg at [www.winnipeg.ca](http://www.winnipeg.ca) .

The University of Manitoba is strongly committed to equity and diversity within its community and especially welcomes applications from women, members of racialized communities, Indigenous persons, persons with disabilities, persons of all sexual orientations and genders, and others who may contribute to the further diversification of ideas. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.

Applications including a curriculum vitae, a description of teaching philosophy and pedagogy development interest, evidence of teaching effectiveness (if available) and contact

information for three references should be sent to [math\\_search@umanitoba.ca](mailto:math_search@umanitoba.ca) (PDF files preferred). Please ensure to specify position number 21902 in the application. For further information contact the Search Committee Chair at [Stephen.Kirkland@umanitoba.ca](mailto:Stephen.Kirkland@umanitoba.ca) . The closing date for receipt of applications is 6 May 2016 . Application materials, including letters of reference, will be handled in accordance with the *Freedom of Information and Protection of Privacy Act*. Please note that curricula vitae may be provided to participating members of the search process.
