

Teaching Term Position in Mathematics

Grenfell Campus, Memorial University of Newfoundland, has a population of more than 1,300 students and emphasizes innovative approaches to teaching and learning, research and engagement. Experiential learning, impactful research and strong community relationships are the hallmarks of Grenfell's profile.

The Division of Science at Grenfell Campus, Memorial University of Newfoundland invites applications for an 8 month teaching term position in Mathematics beginning September 1, 2016 to April 30, 2017.

Mathematics: Duties will include teaching in support of a B.Sc. with a major in Computational Mathematics, a minor in Mathematics and a Mathematics stream in an interdisciplinary degree program in General Science. Preference will be given to candidates with a Ph.D. (or near completion) in Mathematics or a related area, and/or experience teaching Mathematics at the university level. Course descriptions can be found at: <http://www.mun.ca/regoff/calendar/sectionNo=SWGC-1028>

Applications will be accepted until 5:00 p.m. on **Thursday, June 30, 2016**.

A letter of application, a curriculum vitae, teaching dossier (including evidence of teaching effectiveness and a sample course outline) and the names of three references should be sent to: The Acting Associate Vice-President (Grenfell Campus) Academic, Memorial University of Newfoundland, Corner Brook, NL, A2H 6P9. Telephone 709-639-6526 or e-mail associatevpoffice@grenfell.mun.ca

All appointments are subject to budgetary approval. Salary will reflect qualifications and experience in accordance with the Collective Agreement governing faculty at Memorial University of Newfoundland.

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. **Memorial University is committed to employment equity and encourages applications from qualified women and men, visible minorities, Aboriginal people and persons with disabilities.**
