

**Département de mathématiques et de statistique
Faculté des arts et des sciences**

Professor in Applied Mathematics

The Département de mathématiques et de statistique is seeking applications for a full-time tenure-track position at the rank of Assistant Professor in Applied Mathematics.

➤ **Responsibilities**

The appointed candidate will be expected to teach at all three levels of the curriculum, supervise graduate students, engage in ongoing research and publication, and contribute to the academic life and reputation of the University.

➤ **Requirements**

- Ph.D. in Applied Mathematics or equivalent doctorate
- Excellence in research is essential. The ability to participate in institutional projects such as health sciences, engineering or environmental sciences is an asset.
- Demonstrated ability to teach
- Proficiency in the French language

***Linguistic Policy:** The Université de Montréal is a Québec University with an international reputation. French is the language of instruction. To renew its teaching faculty, the University is intensively recruiting the world's best specialists. In accordance with the institution's language policy, [http://secretariatgeneral.umontreal.ca/fileadmin/user_upload/secretariat/doc_officiels/reglements/administration/adm10-34_politique-linguistique.pdf], the Université de Montréal provides support for newly-recruited faculty to attain proficiency in French.*

➤ **Salary**

The Université de Montréal offers a competitive salary and a complete range of employee benefits.

[Échelle salariale](#)

➤ **Starting Date**

On or after June 1st, 2017.

➤ **Constitution of application**

- The application must include the following documents :
 - a cover letter
 - a curriculum vitæ
 - a statement of the research project
 - copies of up to 3 recent publications or research papers
- Four letters of recommendation are also to be sent directly to the department chair by the referees. Without being a requirement, it would be advisable that they include comments on teaching aptitude.

➤ **Deadline**

Application and letters of recommendation must be sent to the chair of the Département de mathématiques et de statistique **by November 7, 2016**, at the following address:

M. Sabin Lessard, Directeur intérimaire
Département de mathématiques et de statistique
Faculté des arts et des sciences
Pavillon André-Aisenstadt, office 5161
Université de Montréal
C. P. 6128, succursale Centre-ville
Montréal (QC) H3C 3J7

Application and letters of recommendation may also be submitted to www.mathjobs.org or emailed to direction@dms.umontreal.ca.

For more information about the Department, please consult its Web site at: <http://dms.umontreal.ca/en/>.

▪ **Confidentiality**

The Université de Montréal application process allows all regular professors in the Department to have access to all documents unless the applicant explicitly states in her or his cover letter that access to the application should be limited to the selection committee. This restriction on accessibility will be lifted if the applicant is invited for an interview.

▪ **Equal Access Employment Program**

Université de Montréal promotes diversity in its workforce and encourages members of visible and ethnic minorities as well as women, Aboriginal people, persons with disabilities and people of all sexual orientations and gender identities to apply.

▪ **Immigration Requirements**

We invite all qualified candidates to apply at Université de Montréal. However, in accordance with immigration requirements in Canada, please note that priority will be given to Canadian citizens and permanent residents.
