

The Department of Mathematical and Computational Sciences at the University of Toronto Mississauga invites applications for a tenure-stream appointment in Mathematics. The appointment will be at the rank of Associate Professor and will commence July 1, 2017.

Candidates in all areas of Pure Mathematics will be considered.

Applicants must have a Ph.D. in Mathematics or a related field and demonstrate an outstanding record in research and teaching. The successful candidate is expected to have exceptional record of research excellence of an internationally competitive caliber, and pursue and maintain innovative research at the highest level. Excellence in research will be demonstrated by publications in top ranked internationally recognized mathematics journals, presentations at important conferences, awards and accolades, and strong endorsements by referees of top international stature. Evidence for excellence in teaching must be provided through teaching accomplishments, letters of reference, and the teaching dossier submitted as part of the application.

The University of Toronto is an international leader in Mathematics research and education. We seek exceptional candidates who would complement our existing strengths (<http://www.math.toronto.edu/cms/people/>). Successful candidates are expected to have a proven research record at the highest level, to have an established international standing, to demonstrate innovative leadership in their area of mathematics, to have a strong commitment to undergraduate and graduate teaching, and to participate actively in the Graduate Department of Mathematics at the University of Toronto.

Salary will be commensurate with qualifications and experience.

Application material for the position should be submitted online through MathJobs at <https://www.mathjobs.org/jobs/jobs/9349>. It should include the candidate's curriculum vitae, a list of publications, a research statement, a teaching dossier, and at least five letters of reference sent directly by the writers (on letterhead, signed and scanned), including at least one primarily addressing the candidate's teaching. To receive full consideration, application material, including reference letters, should be received by the closing date of December 15, 2016, 11:59PM EST.

For more information, please see our websites, <http://www.utm.utoronto.ca/math-cs-stats/> and <http://www.math.toronto.edu/>.

The University of Toronto offers the opportunity to teach, conduct research, and live in one of the most diverse metropolitan areas in the world.

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.
