

Mathematics

King's University College at Western University, a Catholic Liberal Arts College, invites applications for a probationary tenure-track appointment in Mathematics at the rank of Assistant Professor in the Department of Economics, Business and Mathematics, effective **July 1, 2017** (subject to budgetary approval). Candidates should have a Ph.D. in Mathematics or be near completion. Candidates should have an excellent teaching record and superior potential for research and publication. The successful candidate will be required to teach mathematics courses that support our Programs in Economics, and Management and Organizational Studies, in the Department of Economics, Business and Mathematics, among other programs at the College. Salary will be commensurate with qualifications and experience.

Applicants should submit a letter of application, *curriculum vitae*, the names of three academics willing to write a letter of reference, a teaching portfolio (including teaching evaluations), all relevant publications in a single PDF file, to jobsearchmath@kings.uwo.ca. The letter of application should be addressed to Dr. Peter Ibbott, Chair, Department of Economics, Business and Mathematics. All material should be sent electronically to the above address by **Wednesday, February 15, 2017**. Queries about the position may be sent to pibbott@uwo.ca.

King's University College is committed to advancing the Catholic intellectual tradition and welcomes faculty and students from all faiths and backgrounds. King's is committed to Employment Equity, welcomes diversity in the work place and encourages applications from all qualified individuals including women, members of visible minorities, aboriginal persons and persons with disabilities. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. The King's University College website is www.kings.uwo.ca.
