

Department of Mathematical Sciences  
Two Nine (9) Month Limited Term Appointments

The Department of Mathematical Sciences at Lakehead University invites applications for two Nine (9) Month Limited Term Appointments at the rank of Assistant Professor.

Teaching responsibilities for the first position will be within the Lakehead programs offered at the Georgian College (Barrie) campus.

Teaching responsibilities for the second position will be within the Lakehead programs offered at both Georgian College (Barrie) campus and at the Lakehead University Orillia campus.

Applicants should have a strong interest in teaching and demonstrated potential for scholarly research. Candidates for these positions should possess or be nearing completion of a Ph.D. degree in Mathematics.

Lakehead is a comprehensive university with a reputation for innovative programs and cutting-edge research. With campuses located in Thunder Bay and Orillia, Lakehead has approximately 10,000 students and 2,160 faculty and staff. With an emphasis on collaborative learning and independent critical thinking and a multidisciplinary teaching approach, Lakehead offers a variety of degree and diploma programs at the undergraduate, graduate, and doctoral levels through its ten faculties, including Business Administration, Education, Engineering, Health and Behavioural Sciences, Natural Resources Management, Science and Environmental Studies, Social Sciences and Humanities, Graduate Studies, the Northern Ontario School of Medicine (West Campus) and Ontario's newest Faculty of Law. Lakehead is proud to partner with Georgian College to offer a variety of academic programs on the Georgian Barrie campus. This partnership supports the expansion of post-secondary education opportunities for students. For further information, please visit: <http://www.lakeheadu.ca/>.

These appointments will commence on August 15, 2018 and salary is dependent on qualifications and experience. Review of applications will begin on May 15, 2018 and will continue until the positions are filled.

Applicants should submit a curriculum vitae, a statement of their teaching and research interests (including course outlines and teaching evaluations from previously taught courses), the names of three referees, and sample publications to:

Dr. Andrew J. Dean,  
Chair, Department of Mathematical Sciences  
Lakehead University,  
955 Oliver Road,  
Thunder Bay, ON  
P7B 5E1, CANADA
