

**Department of Pure Mathematics
University of Waterloo**

The Department of Pure Mathematics in the Faculty of Mathematics at the University of Waterloo invites applications for a definite-term Lecturer position. This appointment will have an initial term of three years (renewable). The position would be eligible for promotion to Continuing Lecturer. The expected start date is September 1, 2018.

A PhD degree and evidence of excellence in teaching are required. Applicants must have a strong commitment to undergraduate mathematics education and excellent organizational and communication skills. Duties will include teaching six courses per year across all undergraduate levels and service/administrative work within the University.

The salary range for the position is \$70,000-\$100,000 depending on qualifications and experience.

Interested individuals should apply using [MathJobs](http://www.mathjobs.org/jobs/jobs/11865) (www.mathjobs.org/jobs/jobs/11865). Applications should include a cover letter, a curriculum vitae, a teaching statement and teaching evaluation summaries (if available). In addition, applicants should arrange to have at least three reference letters submitted on their behalf. Applications received by May 1, 2018 will receive full consideration.

Additional inquiries may be sent by email to puremath@uwaterloo.ca

The University of Waterloo respects, appreciates and encourages diversity and is committed to accessibility for persons with disabilities. We welcome applications from all qualified individuals including women, members of visible minorities, Aboriginal peoples and persons with disabilities. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority in the recruitment process.
