The Department of Mathematics at the University of Toronto, invites applications for a full-time contractually-limited term appointment (CLTA) at the rank of Assistant Professor, Teaching Stream. The expected start date of the appointment is August 1, 2018, ending on July 31, 2019.

Candidates are required to possess a PhD in Mathematics or Applied Mathematics at the time of appointment or shortly thereafter. Candidates with teaching expertise in any area of Mathematics in a degree granting program may apply. Duties include teaching and coordinating undergraduate courses in Mathematics along with closely related administrative tasks.

Salary to be commensurate with qualifications and experience.

The successful candidate must have demonstrated excellence in teaching and pedagogy, have a strong mathematical background, and have excellent organizational and communication skills. Excellence in these areas will be demonstrated through teaching evaluations, strong letters of reference and the teaching dossier submitted as part of the application.

All qualified candidates are invited to apply by clicking on the following link:
https://www.mathjobs.org/jobs/jobs/12103

Applications should include a cover letter, curriculum vitae including a list of publications, teaching dossier (including a teaching statement and teaching evaluations), and the AMS standard cover sheet. Applicants should also ask three referees to upload letters of reference (on letterhead, signed and scanned) directly onto MathJobs by the closing date. The closing date for applications is July 19, 2018.

If you have questions about this position, please contact mathjobs@math.toronto.edu.
