The Department of Mathematics at the University of Toronto invites applications for one tenure-stream appointment in Pure Mathematics. The appointment will be at the rank of Assistant Professor and will commence July 1, 2019.

Candidates in all areas of Pure Mathematics will be considered. The successful candidate will also be a member of the tri-campus graduate Department of Mathematics at the University of Toronto.

Applicants must have a Ph.D. in Mathematics or a related field by the date of appointment or shortly thereafter, and demonstrate an emerging record of excellence in research and teaching. Excellence in research will be demonstrated by a record of impactful contributions and publications in top ranked mathematics journals, presentations at significant conferences, awards and accolades, and strong endorsements by referees of top international stature. Evidence for excellence in teaching must be provided through teaching accomplishments, strong letters of reference, and the teaching statement submitted as part of the application. The successful candidate will be expected to mount independent, innovative research at the highest international level and establish an outstanding, externally funded research program.

The University of Toronto is an international leader in Mathematics research and education. We seek exceptional candidates who would complement our existing strengths.

Salary will be commensurate with qualifications and experience.

Application material for the position should be submitted online through MathJobs at <a href="https://www.mathjobs.org/jobs/jobs/12450">https://www.mathjobs.org/jobs/jobs/12450</a>. It should include the candidate's curriculum vitae, a list of publications, a research statement, a teaching statement, and at least four letters of reference (on letterhead, signed and scanned) uploaded to MathJobs directly by the writers, including at least one primarily addressing the candidate's teaching. Review of applications will begin after November 15, 2018 and applicants should endeavor to have all materials submitted by then, however applications will be accepted until the position is filled.
