

University of Guelph, Department of Mathematics and Statistics,

Assistant Professor in Mathematics, 1-year Contractually-Limited

The Department of Mathematics and Statistics at the University of Guelph invites applications for a contractually-limited position at the Assistant Professor level.

The position will start August 12, 2019 with an end date of August 31, 2020. The position involves teaching mathematics as the primary responsibility with some statistics teaching possibly required. The successful candidate will be expected to help with recruitment efforts.

Minimum qualifications are a Ph.D. in mathematics or a related field and evidence of strong teaching potential at all levels. Previous experience teaching large mathematics classes at an introductory level is required and previous experience in mathematical outreach is beneficial. Salary will be commensurate with qualifications and experience.

The University of Guelph is the second-largest employer in Guelph, a city of approximately 130,000 people, located about an hour drive west of Toronto, Ontario. University of Guelph is a top-ranked comprehensive university in Canada with an enrolment of about 30,000 undergraduate and graduate students across over 40 academic units. The University is known for its commitment to student learning, innovative research, and collaboration with world-class partners. It is a unique place, with transformative research and teaching and a distinctive campus culture. People who learn and work here are shaped and inspired by a shared purpose: *To Improve Life*. Reflecting that shared purpose in every experience connected to our university positions us to create positive change, here and around the world. Our University community shares a profound sense of social responsibility, a drive for international development, and an obligation to address global issues.

Application Process

Assessment of applications will begin on **May 15, 2019** and will continue until the position is filled. A complete application will consist of: (1) a cover letter; (2) a curriculum vitae; (3) a 1-2 page teaching statement; and the (4) contact information for at least four references. These documents must be arranged, in order, in a SINGLE PDF FILE and emailed to the address below. Only applications in the correct format will be considered. Applications should be sent to the attention of:

Julie Horrocks
Chair
Department of Mathematics & Statistics
University of Guelph
Guelph, ON N1G 2W1
Email: jhorrock@uoguelph.ca .

All qualified applicants are encouraged to apply; however, Canadians and permanent residents will be given priority.

The University recognizes that applicants may have had obligations outside of work that have negatively impacted their record of achievements (e.g., parental, elder care, and/or medical). You are not required to disclose these obligations in the hiring process. If you choose to do so, the University will ensure that these obligations do not negatively impact the assessment of your qualifications for the position.

The University of Guelph resides on the ancestral lands of the Attawandaron people and the treaty lands and territory of the Mississaugas of the Credit and we offer our respect to our Anishinaabe, Haudenosaunee and Métis neighbours as we strive to strengthen our relationships with them.

At the University of Guelph, fostering a [culture of inclusion](#) is an institutional imperative. The University invites and encourages applications from all qualified individuals, including from groups that are traditionally underrepresented in employment, who may contribute to further diversification of our Institution.
