The University of Toronto is an international leader in Mathematics research and education. We seek exceptional candidates who would complement and broaden our existing [departmental strengths](#).

Salary will be commensurate with qualifications and experience.

Application material for these positions should be submitted online through MathJobs, <https://www.mathjobs.org/jobs/jobs/14479> as detailed in each posting.

Review of applications will begin after November 14, 2019 and applicants should endeavor to have all materials submitted by then, however applications will be accepted until the position is filled.

For more information, please see our website <http://www.math.toronto.edu>, <http://www.utm.utoronto.ca/math-cs-stats/>, and <http://www.utsc.utoronto.ca/cms/>. If you have any questions about these positions, please contact: [mathjobs@math.utoronto.ca](mailto:mathjobs@math.utoronto.ca)

The University of Toronto offers the opportunity to teach, conduct research, and live in one of the most diverse metropolitan areas in the world.

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.
