Email Address: \_\_\_\_\_

University: \_\_\_\_\_

Program and Year of Study: \_\_\_\_\_

French proficiency: \_\_\_\_\_

*Please indicate your level of fluency (if any) in both spoken and written French.*

How did you find out about the CMS Student Committee?

## 2 Questions

1. Why do you want to join the Student Committee?

2. What mathematical and social activities have you been involved in outside of your courses?  
Have you had any involvement with the local student groups or other academic communities?

3. The major goal of the Student Committee is to support the community of Canadian mathematics students. How do you see yourself contributing to this goal?

4. Involvement in Studc includes a variety of responsibilities such as organizing events, writing/editing, or visual and web design. Let us know if you have any experience with the above.

5. Have you ever read [Notes from the Margin](#)? If not, please take a minute to take a look.  
Any comments/suggestions/thoughts about it?

6. Have you visited [our website](#)? If not, please take a minute to take a look.  
Any comments/suggestions/thoughts about it?

7. Have you heard of the [Canadian Undergraduate Mathematics Conference](#) (CUMC)? Have you attended it in the past? If so, what are your thoughts about the CUMC?

8. Do you have any ideas for new projects that Studc might want to get involved with?

9. Anything else you would like us to know about you?

**Thank you for your application!**
